

SLS SCHOOL IMPROVEMENT LTD

'Your Partner For Success'

BACKGROUND

I have over 30 years experience in education and have been a Headteacher of an 'outstanding' primary school.

I have extensive experience as a LA Primary School

Improvement Adviser and have worked in a range of small rural and large urban schools. I am an Ofsted Lead Inspector which enables me to provide guidance and support with regard to the Ofsted framework.

I am an accredited School Improvement partner and have worked with schools enabling them to be judged outstanding by Ofsted and also supporting schools in a negative Ofsted category to improve.
